Since 1952

PUMP & EQUIPMENT REPAIR SPECIALISTS

Serving Tri-State Industrial Region for over 40 years.

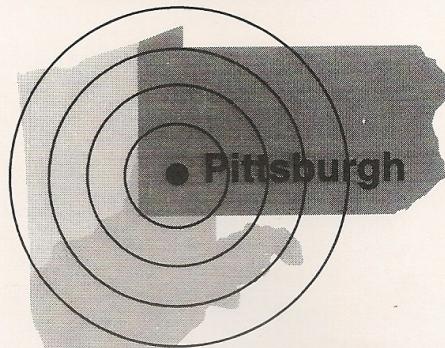

**BUCKLEY
ASSOCIATES, INC.**

Complete Pump Repair and Overhaul
Specializing in **Goulds Pumps** and other brands.

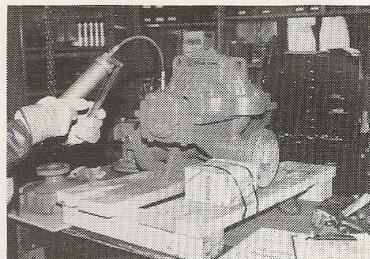

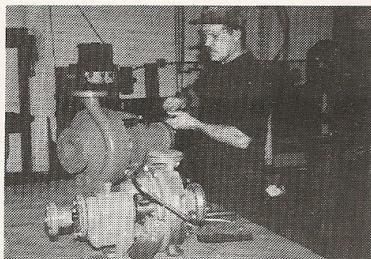

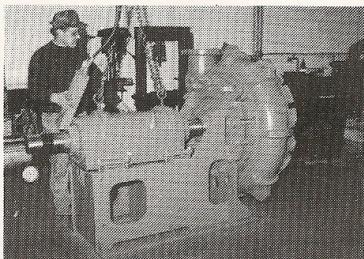

- Slurry, Process Water, Submersible, Split-case, Vertical

- **Goulds**
- **Goyne**
- **Morris**

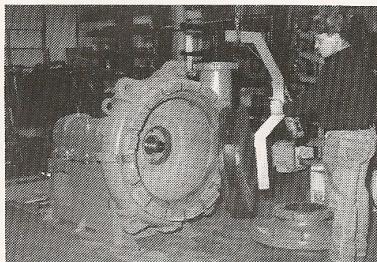

Buckley Associates, Inc.
features a modern and spacious facility
strategically located to provide full
service to the tri-state industrial region.

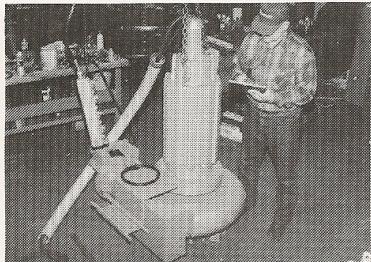

A large slurry pump is completely
rebuilt and ready for shipment.

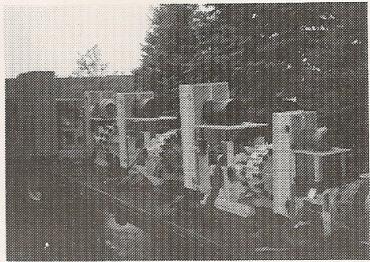

Industrial process pumps undergo rebuild.

A two-ton overhead crane aids
in pump reassembly.

A large submersible pump
undergoes repair.

A series of rebuilt pumps are
shipped to the job site.

A shaft is inspected and reworked to match original specifications.

A large power-end assembly undergoes teardown.

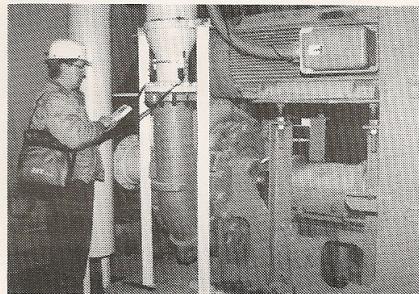

Buckley's three step rebuild procedure includes:

- (1) Teardown and Inspection
- (2) Evaluation and Rework
- (3) Reassembly and Calibration.
